A message from Ben

We are proud of our rich heritage and tradition (as the oldest prep school in the country) whilst embracing innovation and change to ensure that we are preparing our pupils to be successful, high achieving and accomplished young people.

Our magnificent country setting within the South Downs national park and state of the art facilities enable us to provide an exciting and innovative curriculum in a safe, nurturing and inspiring environment. The opportunities are varied and inclusive allowing children to be involved, to follow their interests, take risks and build lifelong passions. Our community is built on the values of respect, creativity and courage with all children feeling secure, happy and able to flourish.

Academic rigour and challenge are important; we want all pupils to achieve their potential within a supportive environment where learning is creative, engaging and accessible. Our unique ACE Habits for Learning – Active learner, Critical thinker and Explorer are embedded in all aspects of teaching and learning allowing children to develop essential skills and become independent learners.

One thing I always notice about the school is the tangible sense of excitement, purpose and energy everywhere I go. All academic subjects, creative arts, sports and co-curricular are taught in well-equipped specialist areas by teachers with passion for their subjects as well as love for their topics. Children are inspired and motivated every day within a caring community. It is a joy to hear children excitedly talking to their parents about what they are learning, how their match went or what they did at breaktime.

I am aware that job descriptions and person specifications can appear rather daunting when one reads the full list of requirements and responsibilities. Please be reassured! We are looking for candidates who are keen to become part of the Windlesham House community, who can bring great personality, experience, innovation and commitment to the role and who have clear enthusiasm for education. Attitude and approach are just as important as qualifications and experience. If you have any questions, please do not hesitate to ask but in the meantime, thank you again for your interest in the position.

Good luck!

Looking back on your childhood, what memories stand out to you? Hopefully days of exploring nature, playing with friends and learning new skills ... our beautiful 65 acres of grass and woodland, nestled in the foothills of the South Downs allows children to be children, giving space to learn, discover and play. With over 1000 trees to climb, there's plenty of scope for a treehouse or den to house adventure seekers.
